Amendment No. 1 to the Distributor Agreement

Ashland Climate · June 16, 2023

Dear Hartwell team,

In recognition of the refrigerant transition and the inventory our distributors are carrying, we are making two changes to Exhibit B for the 2023 Program Year, effective from January 1, 2023 unless stated otherwise.

1. In section 2 of Exhibit B, the threshold for the third tier is reduced from $37,000,000 to $31,000,000. The rates are unchanged.

2. A transition incentive of 1.50% applies to Eligible Purchases of R-454B equipment invoiced from July 1, 2023 to December 31, 2023, paid with the annual rebate.

All other terms of the Agreement remain in force.

Regards,
Dana Whitcomb
