16th June 2021

Hartwell Supply Co.
For the attention of: Purchasing

Amendment No. 1: Distribution Agreement dated 9th December 2020

Re: Appendix B (Distributor Incentive Programme), 2021 Programme Year

Dear Hartwell colleagues,

Given the refrigerant transition and the inventory our distributors are carrying through it, we are amending Appendix B for the 2021 Programme Year as set out below. Each change takes effect from 1st January 2021 unless the table gives a different period.

No.	Provision	Change	Effective
1	Clause B2 (Volume rebate): threshold for Tier 3, the third tier	Reduced from US$49,000,000 to US$41,000,000. The rebate rates are unchanged.	From 1st January 2021
2	New: R-454B transition incentive	1.50 per cent on Eligible Purchases of R-454B equipment invoiced in the period shown, paid together with the annual rebate.	Invoices dated 1st July 2021 to 31st December 2021

Save as amended by this letter, the Agreement remains in full force and effect.

Yours sincerely,

Odile Fairbanks
Vice President, Channel Partnerships, Ashland Climate
