Northstar HVAC

Distributor Achievement Program · Program Guide · 2021

100 Program year

Jan. 1 through Dec. 31, 2021.

200 Qualifying purchases

Every purchase invoiced to the distributor's eligible locations named in Schedule 1, less returns and allowances.

300 Achievement levels (annual volume rebate)

The rate for the highest level achieved is paid on every dollar of the year's qualifying purchases, not only on the dollars above that level.

Achievement level	Qualifying purchases	Rebate
Level 1	at least $3,200,000	1.25%
Level 2	at least $5,300,000	2.25%

400 Growth award

The distributor earns a further 1.0% on its growth: the amount by which the year's qualifying purchases exceed its total 2020 purchases from Northstar HVAC, net of returns.

600 Participating locations

610 Rebates are calculated on the locations listed in Schedule 1.

620 The distributor may add locations by written notice. Each added location counts from the date of its notice.
