Q. How is my 2021 rebate worked out?

A. Find the highest level your 2021 net purchases reach. We pay that level's rate on **all** of your 2021 net purchases: every dollar, not just the ones above the line.

Your 2021 net purchases	You earn
$1,200,000 and up	1.00%
$2,100,000 and up	1.50%

Q. Is there a reward for growing with us?

A. Yes. You earn an extra 1.0% on every dollar of net purchases above your 2020 net purchases.

Q. When do I get paid?

A. As a credit on your account, no later than 3/31/2022.

Q. Is there anything for 2022?

A. Ask your rep about the Q1 2022 early-buy offer. It is a separate program and is not part of this 2021 rebate.
